On July 15, 2024, petitioner Brian Joseph Garro filed a motion to vacate, set aside, or correct sentence pursuant to 28 U.S.C. § 2255. On July 22, 2024, Garro filed a supplement to the motion. On July 24, 2024, the Court issued an Order to Answer, directing the government to file a response to the Section 2255 motion by September 24, 2024, and giving Garro until October 24, 2024, to file a reply. A copy of the Order to Answer was mailed to Garro at the address on the docket.

Since then, Garro has filed three additional submissions which are substantially identical to his previous submissions. Garro did not seek nor was he given permission to file these submissions.

Garro is directed not to file any additional submissions until after the government files its response to the Section 2255 motion. After the government files its response, Garro may file a reply by no later than October 24, 2024. At that point, absent further order, the motion will be considered fully submitted.

Chambers will mail a copy of this order to Garro at the following address:
